Congratulations to this week's stars:

P1/2 - Melissa
P3/4 - Hannah
P4/5 - Riley
P6/7 - Angus

Well done everyone!!

Some of our P5-P7 pupils had a fantastic morning on Wednesday at the Tag Rugby Tournament. Thankfully there were clear skies and plenty of sunshine while the children learnt some new techniques, skills and played plenty of matches. Well done to all who took part and a huge thank you to Ballymoney Rugby Club and Castleroe PS for organising such a brilliant event.

P1/2 had a fun filled morning on Thursday with their friends from St.Olcan's. The sun was shining and they were able to have some outdoor play time after an interactive music lesson with Mr Brown.

HOMEWORK

From early May, there will be no more written homework being sent home. Teachers will be in touch regarding this nearer the time. Spellings/Phonics, maths facts, reading will continue.

PTA

Our PTA volunteers met on Monday night and have planned one final activity for the year. We are excited to announce that we will have a Community Colour Run with St Olcan's and the children are already excited by the event! It will be the last fundraising event of the year and we are aiming to purchase a further 3 laptops for your children's use. A summary of the wonderful events provided is also included in the newssheet. A massive thank you to the volunteers who met and planned the events this year. You have greatly enhanced the children's learning, provided lots of fun events and supported other parents financially but supplying treats and helping with costs of buses etc. A truly marvellous effort!
