Author Visit -

On Wednesday, we had an exciting visit from popular Scottish children's author Stuart Reid. In the morning Stuart held a very engaging and enthusiastic assembly for all the pupils. He then took each class throughout the rest of the day for interactive and informative workshops.

Thank you very much Stuart for sharing the day with us.

Shared Education visit

Our P1/2 class had a great morning with their friend's at St. Olcan's on Thursday. The children enjoyed art and outdoor play and had break together. A big thank you to St. Olcan's for having us!!

Cycle Skills

P6/7 had an active afternoon on Thursday with Cycle skills. Thanks Johnny for the session.

BIG ECO CLEAN UP

Pupils and staff got their sleeves rolled up on Friday to take part in our Eco Spring clean up. There was lots of scrubbing, washing, brushing and tidying done. Everyone worked hard and the outside areas are looking fantastic. Thank you to all our families for their £1 donations, which will be used to enhance the polytunnel in Term 3.

Infectious Diseases

As many of you are aware, we have had a number of cases of Chicken Pox– we hope they all recover soon! We have also been asked to circulate PHA information about Meningitis (this has been sent in a separate announcement). I have also attached information about illnesses and absence from school– please read this.

Labelling Uniform

Can parents ensure all uniform is labelled clearly with your child's name. This helps save teacher time & parental stress when items go missing.

PTA– A massive thank you to our PTA who have purchased 4 new laptops for the children. They have been making great use of these on a daily basis and are very pleased with them!
