

Weekly News

Friday 20th February 2026

Congratulations to this week's stars:

P1/2 – Judith
P3/4 – Jack
P4/5 – Logan
P6/7 – Luke

Well done everyone!!

What a busy start we have had to our new term!

On Monday our P4/5 class thoroughly enjoyed a very engaging and hands-on workshop presented by Sean McNicholl from 'Holding History'. Our pupils stepped into the shoes of the Home Guard, discovered the reality of rationing and air raids. They even handled authentic weapons and got to hold real pieces of history! Special thanks to Sean for such a fascinating learning experience.

Pancake Tuesday—Pupils (and staff) enjoyed a delicious treat of pancakes with their choice of toppings. Thanks to our secretary Ruth for supplying these.

Due to the weather on Wednesday our P6/7 class didn't get outside for their 'Cycle skills' sessions. Instead, they had a fantastic and interesting morning with Johnny and Alister learning useful bike care and repair tips and information. The children put the spanners and pumps to good use by servicing the bikes! Special thanks to Johnny and Alister again for such an informative workshop.

This week we were looking at the 'Take 5' model for Health & Wellbeing. Our pupils were focusing on CONNECT, TAKE NOTICE, BE ACTIVE, KEEP LEARNING & CHINESE NEW YEAR.

The children had a great week swapping playgrounds, taking part in the Daily Mile and learning together.

A very special word of thanks to William for his absolutely amazing puppet show for us all during our Chinese New Year assembly on Friday morning. The children have been giving compliments to each other and cards to their teachers.

World Book Day

This year pupils are dressing up as their favourite character from a book. We will be holding world book day on Thursday 5th March and have lots of fun events planned! We are really looking forward to seeing all the costumes. If you have any pre loved costumes that are no longer of use to your child please send these into school for other families to use.
