### Star of the week

Our stars this week are Jack, Chloe, Jacob and Sara. Here they are with Rev Glasgow who led assembly on Friday morning

### Eco Committee Update

Our Eco Committee and Mrs Abou Samra took assembly on Monday. They were explaining to the rest of the school how we plan to rejuvenate our poly tunnel and planters in the spring time. Mrs Abou Samra is very knowledgeable and can't wait to teach the pupils how to prepare the poly tunnel, plants seedlings, grow and harvest crops and to develop their knowledge of biodiversity. Other outdoor projects planned include developing bird and bug habitats within the school.

### Number Day

Please take a moment to read Mrs Redpath's letter on Seesaw about our plans to celebrate Number Day on 2nd February. We hope you plan to join the children in school for fun and games from 1.15pm. Teachers will be in touch via Seesaw regarding a homework task of making a maths game with your family.
