## Celebrating Success

We had a marvellous day on Friday celebrating the successes of the children in P1-6 and were delighted to award trophies, cups and certificates. Each child will also be presented with a Lockdown hero medal to acknowledge their achievements during this time. These medals are awarded on behalf of the PTA who won an Open Pot bid for the Puppet Theatre and medals.

## 50<sup>th</sup> anniversary celebrations

It was a pleasure to welcome the Mayor Councillor Richard Holmes to our outdoor assembly. He spoke to the pupils about the role of the Mayor and the importance of celebrating important milestones such as anniversaries. He acknowledged the excellent work of the school; its pupils, parents, staff, Principals and Governors both past and present. We were also fortunate to welcome Mr Dunlop who returned to say farewell to pupils and staff.

## PTA Fundraising Events

We are grateful to the PTA members who organised the events on Friday- the children loved it! Thanks for supporting the PTA summer events. This has been a difficult year for fundraising and we are grateful for the creative efforts of the PTA to raise funds. Your support directly benefits the pupils.

This year PTA funds have been used to provide: A visit from the Ice Cream van, Hallowe'en Treats, Christmas Gifts Lockdown treats, ice lollies, sports medals and gifts for P7 leavers.

It has taken great time, cost and effort to produce the 50<sup>th</sup> anniversary book and we would be delighted if each family could purchase at least one copy. These are available on Parentpay!

## Summer Scheme

By now you will have received a message on Seesaw confirming your child's place in Summer Scheme. Summer Scheme will begin on Thursday 1<sup>st</sup> July at 10am. Pupils do not need to wear uniform and should bring a packed lunch with them as meals are not provided.

To ensure the safety of all pupils drop off and collections times should be punctual, and absences should be communicated directly to Mrs Steele preferably before 10am. This can be done through the Seesaw app. Normal expectations of behaviour applies; however, the main purpose of the scheme is to have fun and play/learn together. We are looking forward to a fun filled fortnight with archery, American Football, cookery, Science, Art workshops and a day trip included!
