

Weekly News

Friday 24th September

Teamwork

Congratulations to the winners of the Teamwork awards in each class. Fantastic teamwork has been shown this month.

Eco & School Council

The pupil's views about how to improve our school are important. The council met today and produced some great ideas! We also met as an Eco Council and the ideas suggested were fantastic.

PATHS

We hope you are enjoying seeing the compliments for the PATHS person of the day being shared on Seesaw. We have been discussing ways to manage our feelings this week.

Friday Fun

Pupil feedback on our Friday afternoon sessions is very positive. This is a wonderful way to reward the pupil's hard work in school and with homework. Children are aware that during this time unfinished work may need to be completed.

Healthy Eating

Only a healthy snack and water should be provided at breaktime. Pupils can purchase snack from school. Only one treat item should be allowed in a lunch box. On Fridays the pupils can have a treat item at breaktime.

REMEMBER - NO NUTS/
NUT PRODUCTS ARE ALLOWED IN SCHOOL.

Special Visitors

On Thursday we will be hosting some special visitors to the school. Full school uniform is essential as photographs will be taken for the papers! There will be a change to the school dinner menu—Burgers and chips will be offered on Thursday and fish fingers and mash will replace Fridays dinners. We look forward to sharing photos and details of the visit with you next week!

Cool for Schools

We have received very positive feedback about the photograph proofs that you received from the photographer. All orders are made with the company directly. We look forward to the photos arriving with us in school.

Parent/Teacher Meetings

Teachers are looking forward to updating you on the progress made by the children during meetings on the week beginning 18th October. It is likely these will take place in person and will be based in your child's classroom. You will be required to wear a mask (where possible), sanitise and observe social distancing when attending these meetings.

To accommodate the large numbers involved all pupils will finish at 1.50pm all week.
