## Friday 27th May

### Sports Day

We are delighted to be in the position to once again welcome you back to Sports Day! This year it will take place on Thursday 16th June starting at approximately 9.15am-11.30am. For those parents requiring time out of work we anticipate that P1-4 races will be from 9.15-10.30am. KS2 from 10.30-11.30am. All times are an estimation and the date given is also weather dependent. You will also have an opportunity to view our new outdoor classroom and outdoor learning areas on the day!

### Our Place in Space Visit

P3/4 & P6/7 had a visit on Thursday from our Place in Space! The children had great workshop sessions making a movie and taking part in lots of fun activities

### Insect Visitors!

P1/2 & P3/4 have really enjoyed having their caterpillars in class over the last few weeks. They were able to observe the caterpillars eating and growing, turning into chrysalis and eventually this week the butterflies have emerged! Once their wings have unfurled and they are ready they will be released out into the environment—hopefully to keep the cycle of life going! Well done to the boys and girls for taking such good care of them.

### School Trips

P1/2, P3/4 & P5/6 will all be heading away on their school trips on Friday 10th June. Teachers will be in touch with details closer to the time. Meanwhile the payment items are on ParentPay and each trip is priced at £13. Payment should be made before the trip.

### PATHS coffee morning

On Monday 6th June we will be holding a tea/coffee morning in school. You will have the opportunity to hear the Jubilee piece performed by your child's class and to meet our PATHS coach Martina and hear about the programme your children have been using in school this year. The strategies used in the programme are really beneficial to develop thinking skills and problem solving in class and at home also! We hope to see a good turnout.

### Uniform

We would **strongly** recommend that if your child needs a new item of uniform from our supplier School Trends that you place your order now to have it for September. Please go to the school website for the link (you will find it in the green 'parents' tab under uniform).

### Colour Run

St Olcan's PTA have organized a shared Colour Run event to take place in Limepark on Friday 17th June. Please see the separate note and sponsor forms sent out on Monday.

The class that manage to raise the most sponsorship will get a special reward!

### Cycling Proficiency

This term cycling proficiency will be offered to P7 pupils from 6th-17th June. Pupils should bring their bicycles into school on Monday 6th June and we will keep them in school, along with helmets etc. until the course is finished.

### Collection of children

P1-4 children **must** be collected by **an adult** at the school gate. Parents should not wait in cars and expect staff to dismiss pupils on to a busy street. This is to ensure the safety of the children. Your cooperation with this is very much appreciated.

### Dates for the diary

**P6/7 Share Centre Residential—Monday 30th May until Wednesday 1st June**
